

STEAM4KIDS After-School Day Care & Workshops Schedules and Rates*

Stay & Play After-School Day Care Program

Mondays, Tuesdays, Thursdays and Fridays from 15:30 to 18:30
Wednesdays from 12:30 to 18:30

Stay & Play will be an electronic free experience for your children. Each day we will present three to four organized activities including:

- Daily homework assistance;
- A daily organized outdoor sports activity (indoor gym activity during inclement weather);
- A daily organized indoor game to encourage self-expression and creative thinking;
- A daily visit to the library in which we will read to the children and encourage reading;
- Supervised free-play in the playground area.

Parents can choose the number of hours per day/days per week in accordance with their needs. Parents are only charged for the hours they contract for. The Stay & Play rate is 7,00€ per child per contracted hour (10,00€ per hour for exceptional, non-contracted hours). Stay & Play will be offered on all days that Bogaerts is scheduled to be in session. All prices include VAT/TVA.

After-School Workshops Schedule and Rates*

Rates for each workshop are based on the number of weeks for each of four terms (6, 8, 10 and 8 weeks), as well as additional or special material costs, if applicable. A substantial discount is applied for students already enrolled in Stay & Play during the workshop's hour. Discounts are applied to the total cost for students who are enrolled in more than one workshop per year (2 = 10%, 3 = 15%, 4 or more = 20%). All prices include VAT/TVA.
